

Owner's Day 2025

Owner's Day

We were delighted to welcome our owners to the yard for this year's Owners' Day. It was a great opportunity to come together, reflect on the past season, and look ahead to the exciting months to come. Owners' enjoyed seeing the horses parade and meeting the team who made the day run smoothly.

Owners were welcomed with Champagne and canapés before a parade of horses in the main barn. The parade was also a great opportunity not only to parade horses, but to

advertise those horses we have for sale.

We followed the parade with a delicious lunch kindly prepared by Alastair's parents, Kate and her family. The food was exceptional and received many compliments from the Owners.

A big thank you to the staff for all their efforts on the day. Your hard work was very much appreciated.

Winter Horses

The winter horses are back in full swing, it's lovely to see them looking and feeling so well! We are all excited for the 2025/2026 NH season to start, and what the months ahead will bring.

Owner's Day 2025

We concluded the day with a raffle to win a day at the races and were delighted to raise £495 in support of the Injured Jockeys Fund.

Burwarton Show

Burwarton Show

We were delighted to return to our local Burwarton Show this year in August, hosting a stand for the second year running. The Equicizer was a real highlight, attracting plenty of interest and giving visitors the chance to get involved. The show also offered a great opportunity to welcome owners for a drink, catch up, and showcase all that we have to offer. It was a thoroughly enjoyable day for everyone who joined us.
